KENSINGTON

Psst DÉCOR

TREADING SOFTLY

Driven by the bold '60s-inspired graffiti-printed fashion, New York-based interior designer Nicole Fuller creates designs made from hand-spun silk on a wool background. [therugcompany.com](http://therugcompany.com)

AMC, AMAS - AMATO

The Kensington, designed by Michael Amato, was inspired by the 150th anniversary of the Tube. The floating globe with its delicate armature of nearly 1,2m is completed with hand-blown glass from Italy. [urbanelectricco.com](http://urbanelectricco.com)
