

HOUSE BEAUTIFUL  
JUNE 2017  
THE DOUBLE ARM PENDANT

THE URBAN ELECTRIC CO.

THE BEST

Let this one fan out in a long dining room or hallway!

Lengthy arms and a short stem: ideal for a low-ceilinged great room.

GREAT FINDS

*You don't need parlor-height ceilings for statement lighting—these exaggerated-scale options illuminate every square inch with style.*

No overhead lighting? A wide shade brightens a broad area.

A shallow sunburst glams up cramped quarters.
