Made In: Columbia, Mississippi
Buy It: \$575, by St. James Lighting, through First Impressions Mid-Atlantic; 757/647-0542
Try It: atop a metal post at the front walk

To flicker or not?
 Gas flames are charming but offer dim light. Try them in areas where safety is not an issue. A certified gas fitter can tell you if your home can be converted. Usage costs are comparable to electric.
