THE JEWEL-BOX POWDER ROOM

No shrinking violets here: these guest-friendly water closets play like tiny canvases for seriously stylish decorating ideas.

PAPERED WALLS

**Schumacher Feather Bloom Wallpaper** in Fuchsia and Jet, available to the trade; fschumacher.com

**BEACH HOUSE FAVE** Go ahead, climb the walls! Powder rooms are lower in humidity than full baths, which makes them prime real estate for a killer wallpaper (which can peel in rooms that tend to fill with steam or see a lot of splash action, like kids' baths).

**Thibaut Surfrider Wallpaper** in Blush, \$140 per single roll; thibautdesign.com for retailers

**Anthropologie Ocean Reverie Wallpaper** in Light Green, \$198 per roll; anthropologie.com

COUNTER CANDY

**Cost Plus World Market Alabaster Lotus Soap Dish**, \$10; worldmarket.com

**Mistral Soap Lychee Rose French Bar Soap**, \$8.25; mistralsoap.com

**Lulu & Georgia James Vase** in Matte Nude, \$16; luluandgeorgia.com

**Aspen Bay Candles Cashmere Pumpkin Large Tumbler Candle**, \$34; aspenbaycandles.com

EARTHY VESSEL SINKS

**TashMart Classic Natural Stone Vessel Sink** in Light Travertine, \$285; tashmart.com

**MaestroBath Dual Stone Beige Vessel Sink**, \$1,095; maestrobath.com

**Waterworks Sten Oval Stone Vessel Sink** in White, \$2,500; waterworks.com

WORTHY SPLURGE

When it comes to pricier pieces, stick to trends with staying power. Organic elements—like stone vessel sinks—win on texture, polish, and natural beauty.

AMBIENT LIGHTING

**Serena & Lily Dauphine Sconce**, \$298; serenandlily.com

**Kelly Wearstler Melange Sconce** in Brass with Alabaster, \$525; kellywearstler.com

**STYLE SECRET** Harsh overhead lighting is akin to serving bad wine—a party faux pas! Sconces cast a pretty glow over you and your guests.

**Michael Amato + The Urban Electric Co. Audley Sconce** in Hewn Brass/Farrow & Ball Calamine Shade and Accents, from \$1,402; urbanelectricco.com for purchase information

SMART BATH INNOVATION

How's this for a multitasker? The whisper-quiet, nine-inch bath fan doubles as a bluetooth-enabled stereo speaker. Just connect it to your smart-phone, tablet, or laptop to stream tunes through the ventilation portal.

**Home Networks Decorative White 100 CFM Bluetooth Stereo Speaker Bath Fan** with LED Light and Remote, \$159; homedepot.com
